Thanks Kevin, we will report up through the command. If there is something you need from us which is not contained in the AC reports then let us know and we can respond.

Michael,

We have been finalizing our OW Management report around 5 PM Eastern most days. We will use whatever is the latest information we have at that time.

We are also now receiving the daily Area Command reports, so if your information is already captured there, you don't need to re-send it.

Thanks,

-Kevin Tingley
